📍 **Home:** Room No-218, Alaol Hall, University of Chittagong., 4203 Chattogram (Bangladesh)

ABOUT ME

A curious and driven *International Relations* student with a strong interest in *geopolitics*, *political economy*, and *data-driven research*. He is skilled in *research methodologies*, including *statistical data analysis* and *digital research tools*. Alongside his academic focus, Misbah is also developing expertise in *MERN stack web development*, combining creativity with technical proficiency in building dynamic web applications.

WORK EXPERIENCE

IT COORDINATOR
Chittagong University Research and Higher Study Society (CURHS) [20 Feb 2024 – Current]

City: Chittagong | **Country:** Bangladesh

Serving as the *IT-Coordinator* at *Chittagong University Research and Higher Study Society*, I provide comprehensive technical support to the organization. My responsibilities include managing the official website and database, developing program-specific websites, handling organizational email systems, and ensuring smooth digital operations for events and initiatives.

CO-FOUNDER
Integrated Research and Development Initiatives [Oct 2024 – Current]

City: Chattogram | **Country:** Bangladesh | **Website:** https://irdibd.org/

Integrated Research and Development Initiatives (IRDI) is a non-governmental organization that facilitates evidence-based policymaking through research findings and promotes sustainable development in Bangladesh. The goals of the organization include bridging the research-policy gap, where the researchers will conduct rigorous, high-quality research on critical development issues and disseminate research findings effectively to policymakers, practitioners, and the public.

IT OFFICER
Chattogram Research and Innovation Festival 2024 [1 Feb 2025 – 28 Feb 2025]

City: Chattogram | **Country:** Bangladesh | **Website:** https://researchfest.curhs.org

I had the privilege of serving as the *IT Officer* for the *Chattogram Research and Innovation Festival 2025*, one of the largest research festivals in Bangladesh, organized by the *Jamal Nazrul Islam Research Centre for Physical and Mathematical Sciences*. My responsibilities included-

- Designed and developed the official website for the festival.
- Managed the database of participant stalls and coordinated communication via email.
- Oversaw stall management and logistical coordination.
- Visited institutions to invite participants and encourage their involvement in the festival.
- Provided on-site technical support during the event, including managing on-stage slide presentations.

GRASSROOTS POLICY ENVOY

Youth Policy Forum [Apr 2024 – 31 Dec 2024]

City: Chittagong | **Country:** Bangladesh | **Website:** https://ypfbd.org/grassroots-network/

I engaged directly with grassroots communities to identify key challenges and gather policy recommendations. Conducted multiple interviews focused on the drinking water crisis in coastal areas, contributing to evidence-based policy discussions and advocacy efforts.

RESEARCH ASSISTANT

Md Shahidulla Kaiser, Assistant Professor, University of Chittagong. [10 Mar 2024 – 30 Jun 2024]

City: Chittagong | **Country:** Bangladesh

I assist a university professor in collecting and analyzing data for a research paper. I work closely with the professor to extract valuable insights from the data, and my commitment to accuracy and precision is unwavering.

WEBSITE MANAGER

TEDXCHITTAGONGUNIVERSITY [18 May 2024 – 5 Jun 2025]

City: Chattogram | **Country:** Bangladesh | **Website:** https://tedxtalkcu.com

I had the privilege of serving as the *Website Manager* for *TEDXChittagongUniversity*, organized by the *Chittagong University Research and Higher Study Society*. The event, held on 4th June 2024, brought together students, professionals, and thought leaders to share innovative ideas. My responsibilities included-
- Designed and developed the official website for the event.
- Managed the database of speakers and participants, ensuring effective communication and coordination.
- Coordinated logistical tasks and assisted in the overall event organization.
- Provided technical support during the event, including managing on-stage presentations and handling other technical needs.

EDUCATION AND TRAINING

BACHELOR OF SOCIAL SCIENCE IN INTERNATIONAL RELATIONS

University of Chittagong [1 Dec 2022 – Current]

City: Chattogram | **Country:** Bangladesh | **Website:** https://cu.ac.bd/ | **Level in EQF:** EQF level 6

Currently pursuing a Bachelor's degree in International Relations, focusing on global politics, diplomacy, international law, and foreign policy analysis. The program equips me with analytical and research skills to understand international conflicts, governance, and global affairs.

COMPLETE WEB DEVELOPMENT COURSE BY PROGRAMMING HERO

Programming Hero [1 Jul 2024 – 26 Feb 2025]

Website: https://www.programming-hero.com/

I gained hands-on experience with technologies such as HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, React, Node.js, Express.js, and MongoDB, while also learning about authentication with Firebase and JWT. Throughout the course, I successfully completed multiple web development projects. The course emphasized real-world projects, version control with Git/GitHub, and deployment on platforms like Netlify and Vercel.

RESEARCH METHODOLOGIES

American Corner Chattogram [10 Mar 2024 – 11 Mar 2024]

City: Chattogram | **Country:** Bangladesh | **Website:** https://bd.usembassy.gov/american-corner-chattogram/

Completed a two-day intensive course on research methodologies, gaining insights into qualitative and quantitative research techniques, data analysis, and academic writing. The training enhanced my ability to conduct structured and evidence-based research.

DEMOCRACY: FROM THEORY TO PRACTICE

The International Foundation for Electoral Systems [15 Aug 2023 – 11 Nov 2023]

City: Chattogram | **Country:** Bangladesh | **Website:** https://www.ifes.org/

Completed a 17-week extracurricular course on democracy, organized by USAID and IFES. The program covered democratic principles, governance, and civic engagement, including a hands-on action project that provided practical experience in democratic practices.

WEB DESIGN AND DEVELOPMENT BY LEDP

ICT Division Bangladesh [Aug 2020 – Oct 2020]

City: Lakshmipur | **Country:** Bangladesh | **Website:** https://ledp.ictd.gov.bd/new/

Completed a 50-day intensive training program focused on web design and development from the Learning and Earning Development Project under ICT Division Bangladesh. Gained hands-on experience with HTML, CSS, JavaScript, and WordPress, which significantly enhanced my technical skills and boosted my self-confidence in practical web development.

LANGUAGE SKILLS

SKILLS

MERN Stack (MongoDB, ExpressJS, ReactJS, NodeJS) / WEB; Web Developer / Microsoft Office / Google Suite (Doc, Slides, Form, Sheet, Drive) / Statistical Data Analysis / WordPress

PROJECTS

[Sep 2023 – Nov 2023]
PROJECT BUBBLE
'Project Bubble' is a social action project to install liquid soap dispensers in the washrooms of the Faculty of Social Science at the University of Chittagong.

A lack of soap in washrooms at Chittagong University's Faculty of Social Science posed a health risk to over 4,000 students. Recognizing this, a student-led initiative called "Project Bubble" took charge. They funded and installed soap dispensers in eight washrooms, demonstrating their commitment to improving student well-being. Project Bubble aspires to expand this initiative across all faculties, ensuring proper hygiene practices become a university-wide norm.

VOLUNTEERING

[Oct 2023 – Current] University of Chittagong, Bangladesh
Core Committee Volunteer at Third Eye
Third EYE supports visually impaired students by providing audiobooks, exam stenographers, and training in computers, debate, pronunciation, and other skills. Helping as a stenographer during exams is a fulfilling experience, bringing joy by aiding students in achieving their dreams.

HONOURS AND AWARDS

Millennium Campus Network, Inc.
Millennium Fellow, Class of 2024
Selected as part of the prestigious Millennium Fellowship, a global leadership development program run by the United Nations Academic Impact and Millennium Campus Network. Successfully completed *Project Bubble*, a social impact initiative, contributing to the advancement of the UN Sustainable Development Goals.

Bangladesh Madrasah Education Board
Talent Pool Scholarship
I was awarded Talent Pool Scholarships in JSC, SSC, and HSC exams conducted by our education board, which exempted me from paying tuition fees during my school years.
